III. PROGRAMMATIC, ADMINISTRATIVE, AND FINANCIAL DISCUSSIONS

(Provide a summary of observations, findings, and recommendations made during the visit)

All expected staff were present.

One of the challenges that this task force faces is that they are unique in that they are a very close community. Most people have grown up here and therefore know each other. It is difficult to infiltrate the drug rings. It is a goal of the task force to draw from outside communities for such things as undercover work.
